Welcome to the new PMI library!

This is the first ‘Recent Additions’ since the library moved and you will see that even though our book ordering was on hold Dec-Feb, donations have still been coming in, and we’re gradually processing these. Over the break we’ve also continued to receive many periodicals from Victorian historical groups - too many to list, though a catalogue search for your favourite ones will show the indexed content of the latest issues.

We have now moved to a new catalogue system, so if you have the old Civica catalogue bookmarked or favoured on your computer, please change this link as the old catalogue is no longer being updated and will soon be closed.

Some work is still being carried out on our new catalogue and we appreciate your patience as this work progresses. In the meantime, if you experience any hiccups we would be pleased to assist - library@pmi.net.au or 9510 3393.
